2020 - 2023

Sinhgad College of Science and Commerce, Pune

BBA (CA)

PROFESSIONAL EXPERIENCE

March 2023 – Aug 2023

Mandelbulb Technologies, Jaipur
Role: Associate Data Engineer (Intern)
Description: -
As an Associate Data Engineer Intern, I gained hands-on experience in data pipeline development and management. I worked with SQL, Python, and ETL tools to process and analyze large datasets. My role involved collaborating with senior engineers to optimize data workflows and ensure data integrity.

Sept 2023 – April 2024

A3logics, Jaipur
Role: EDI Analyst
Description: -
As an EDI Analyst, I specialized in managing electronic data interchange systems. My responsibilities included setting up and maintaining EDI transactions, troubleshooting issues, and ensuring seamless data exchanges between partners. I collaborated with teams to streamline processes and improve data accuracy.
